CLEVELAND UTILITIES AUTHORITY

JOURNEYMAN LINEMAN

Cleveland Utilities Authority, a municipal utility providing electric, water, wastewater and fiber services to the Cleveland, Tennessee/Bradley County area, is seeking a Journeyman Lineman to construct and maintain our electrical transmission and distribution facilities.

ESSENTIAL FUNCTIONS:

- Perform all maintenance, construction and repair of electrical distribution and transmission systems, both overhead and underground, in an accepted manner concurrent with industry and Cleveland Utilities' standards.
- Carry out the performance of the job utilizing all required safety procedures and equipment.
- Perform energized and de-energized line work utilizing ladders, climbing tools and/or aerial lift trucks.
- Train and instruct apprentice linemen in duties they are to perform.
- Ensure tools and equipment are in safe working condition and well maintained.
- Ability to perform call duty after designated training period and must live within 15 miles of the main campus or 30-minute commute via Google Maps.
- Perform other duties as assigned by Working Line Foreman/Supervisor.

JOB REQUIREMENTS:

- High school diploma or GED equivalency.
- Experience as a Journeyman Lineman preferred.
- Basic computer skills with a working knowledge of Microsoft Office.
- Completion of a certified lineman apprenticeship program with copies of completion certificates.
- Valid Class "A" Commercial Driver's License.
- Physical ability to climb and do heavy manual work.

Qualified applicants should submit a resume by Friday, October 23, 2026, to:
